Subject: Approval of Amended Notice of Intention to Commence Small Mining Operations, Michael Sprunger, ML 47821 & ML 46956/Cubical 2, S/023/057, Juab County, Utah

Dear Mr. Sprunger:

The Division finds your amended Notice of Intention to Commence Small Mining Operations (NOI) complete. You are now permitted to conduct small mining activities as outlined in the amended NOI provided you have approval from all other appropriate agencies. The approval or acceptance of a complete NOI does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations. Enclosed please find a copy of the approved amendment.

Thank you for your cooperation. Please call Wayne Western at 801-538-5263 if you have questions regarding this approval.

Sincerely,

Paul B. Baker
Minerals Program Manager
